November - December 2018

Dear friends,

As we come to the end of this year, I want to wish each and every one of you a very MERRY CHRISTMAS and a HAPPY NEW YEAR! I pray that even in the busyness of these days, you take time to focus on what is the real reason for the season. These last couple of months have been extremely busy with many end of the year activities and plans.

October found 17 of us on a missions trip to the northern part of the country to help one of our missionaries for four days. We thank the Lord for the opportunity to go there and minister to the people. Please pray that the seeds planted will soon become fruit.

November was filled with the end of the school year activities. One of the last weeks I was there, I was able to share the testimony of a friend who had been martyred for sharing the gospel. That particular day, two young girls came to me and after some explaining, asked Jesus to be their personal Savior. Another activity has been planning and preparing for the 10th anniversary of our church! We are so thankful to see what God has allowed us to do over the past ten years. We are praying God will allow us to continue to be a light in the darkness here in Santa Lucia.

December is filled with the end of the year culmination competition for the Bible clubs, which will happen this weekend. Next weekend will be the end of the year ladies' Christmas get together. The 23rd of December will find our final activity for the year as the choir will present a Christmas program, "Silent Night."

Lord willing, I will be taking a furlough from April - June 2019. If you would like me to come update your church during that time, please let me know. Or if you would like me to present the ministry for the first time, I have some availabilities. Please feel free to contact me via e-mail or my stateside phone number.

Prayer requests:

- Please pray for faithfulness
- Please pray for safety
- Please pray for more laborers as the fields are white unto harvest

In Christ,

Keren Burdick
